SURELY.AI

AI-Powered Parametric Insurance for Gig Workers

Income protection — triggered instantly, no claims needed

THE PROBLEM

Gig Workers Are One Bad Day Away From Zero Income

The Reality

- 40–50%income loss from rain, curfews, pollution
- No safety net or income protection
- Insurance today is slow and claim-based
- Gig workers cannot afford delays

THE SOLUTION

Insurance That Pays Before You Ask

Auto-Detects Disruptions

Real-worldevents likerain,curfews, and AQI spikes are detected automatically

Calculates Loss Instantly

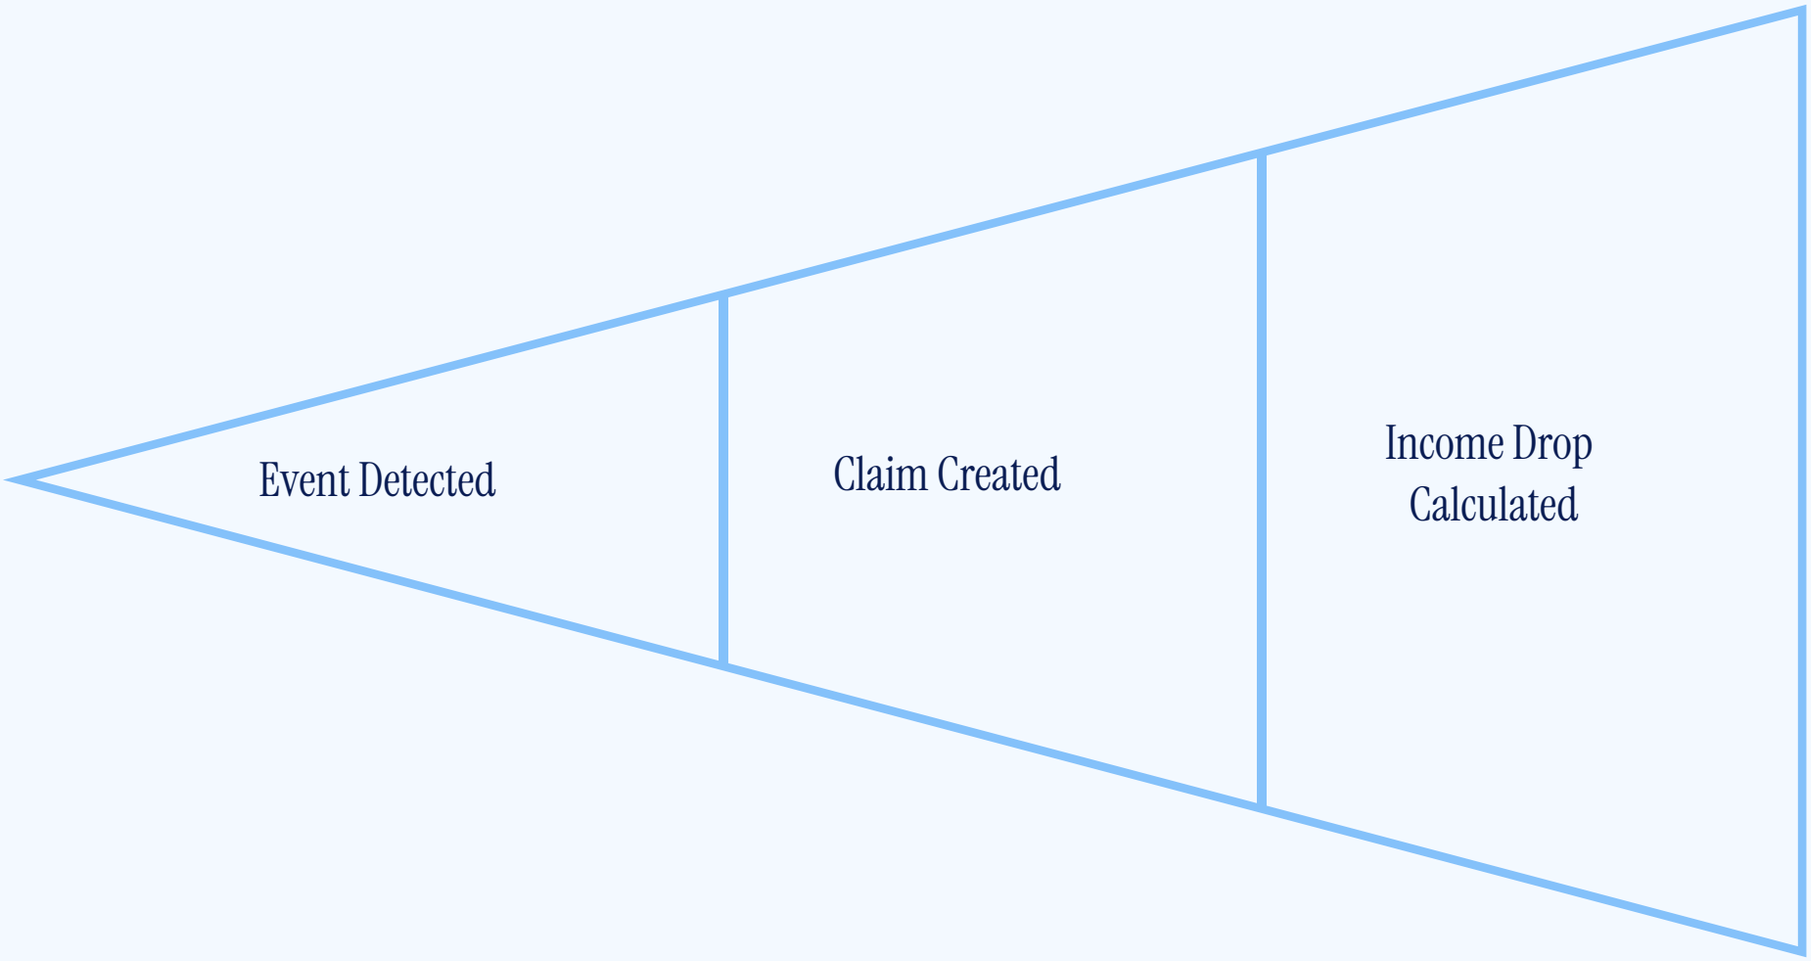
Incomedropiscomputedinrealtime using live earnings data

Triggers Payouts Automatically

No claims, nopaperwork, no waiting — money moves the moment a qualifying event occurs

HOW IT WORKS

From Event to Payout in Minutes



The entire process runs without human intervention — from trigger to credit in under 5 minutes.
